

# welcome to THIRD GRADE

Hi! I'm Mrs. Vieira,

I am your child's 3rd grade teacher for next year's school year. This will be my 10th year teaching but my third year teaching 3rd grade. I am so excited to be here and continue on this adventure in 3rd grade.

There are lots of fun things about 3rd grade. We have a class pet hamster named Hammy. He is two years old. We get to move around for different classes and have different teachers throughout the day.

We also have fun Fridays on Friday afternoons if we get all of our work finished.

I look forward to having you in my class next year!

# Dear 3rd Grade Families,

Did you know that studies have shown that children can lose one to two months of math skills over the summer? Don't stress! There are ways to prevent this.

By continuing to practice and review skills, students maintain their level of academics and can even continue to grow.

It is extremely important that students arrive in 3rd grade knowing their addition, subtraction, and multiplication facts. Practicing 5-10 minutes per day with flashcards will have students ready for 3rd grade math! You can make your own flashcards or find them at the dollar store or even online.

I hope you have an amazing summer break!

Thank you,

*Ms. Payton*
