KAREN CONNOR

About me

Hello!

My name is Karen Connor, and I'm thrilled to be your child's first grade teacher. I'm in my fourth year in Room 2 at STS. Prior to landing here, I spent four years in Westwood, MA public schools, teaching K-2. For me, education is even more rewarding with each year.

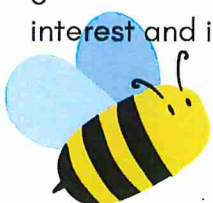

Every day, I believe in:

- finding the best in others, and in sharing the best of ourselves
- choosing to make every day better than yesterday
- learning something new every day, no matter our age
- and especially, your first grader!

Teaching Philosophy

I'm dedicated to creating a supportive environment where every child feels valued. I do my best to create hands-on, experiential learning that fosters curiosity, builds confidence, and promotes social skills. I love to be as creative, curious and silly as our first graders. Read stories and facts that interest and inspire you!
