

Welcome to **3rd & 4th Grade**

Welcome to the 2026–2027 school year at Saint Teresa School! We are excited to welcome both new and returning students and families to our intermediate elementary team. We look forward to a year filled with faith, learning, growth, and memorable experiences.

We are a dedicated and collaborative team of teachers who work closely together to provide a strong academic and spiritual foundation for our 3rd and 4th grade students.

- Mrs. Vieira serves as our 3rd grade homeroom teacher. She teaches 3rd grade Religion and Science and also teaches Social Studies to all 3rd and 4th grade students.
- Ms. Payton is one of our 4th grade homeroom teachers. She teaches 4th grade Religion and Science and also teaches Math to all 3rd and 4th grade students.
- Ms. Marchese is also a 4th grade homeroom teacher. She teaches 4th grade Religion and Science and also teaches English Language Arts (ELA) to all 3rd and 4th grade students.

Together, we form a wonderful team that is committed to creating a supportive, engaging, and faith-filled learning environment where every child can thrive. We are already looking forward to getting to know our students and partnering with families throughout the year ahead.

We are excited for all that this school year will bring and are grateful to have your family as part of the Saint Teresa School community.

God bless,

Mrs. Vieira, Ms. Marchese, & Ms. Payton

Dear 4th Grade Families,

Did you know that studies have shown that children can lose one to two months of math and reading skills over the summer? Don't stress! There are ways to prevent this.

By continuing to practice and review skills and reading everyday, students maintain their level of academics and can even continue to grow. Please complete the summer reading assignment and return it on the first day of school.

It is extremely important that students arrive in 4th grade knowing their addition, subtraction, and multiplication facts. Practicing 5-10 minutes per day with flashcards will have students ready for 4th grade math! You can make your own flashcards or find them at the dollar store or even online.

Completing these assignments during the summer will ensure continued success and growth. I've also included a supply list and other learning activities your student can do over the summer.

I hope you have an amazing summer break!

Thank you,

Ms. Payton
