INFORMATIONAL RECEPTIONS BEGIN SOON!

Six informational sessions, including Q&A, have been scheduled to explain the capital campaign fully. We hope one of these six options will work for your busy schedule. At these receptions, we will share the scope of our replacement plans, campaign schedule, and other specifics, as well as how we will raise the money needed to accomplish these goals.

These informal social gatherings will provide an excellent opportunity for all parishioners to learn how they might support the parish's Mission and help ensure its continued success for future generations.

Kindly RSVP with your reception preference and the names of all members in your party by emailing stteresacampaign@gmail.com or scanning the QR Code.
